Member Benefits: What's new at Mountain Shadow in 2015?

Expanding and offering Mountain Shadow FRIDAYS or Mountain Shadow SATURDAYS

Beginning in 2015, we are expanding our total available memberships from 160 to 240. Mountain Shadow members will choose which Series you want to join, and total membership for each series will be capped at 120 persons. The total anticipated membership increase will allow us to keep the annual dues at only \$120 per person.

Member Benefits are expanding, and will include:

- A guaranteed space for the series you choose, Fridays OR Saturdays. As more and more people continue to discover everything Mountain Shadow has to offer, the privilege of members to be guaranteed a reserved seat will be your single greatest benefit. You always have an advanced reservation.

What if you cannot attend a particular show on a particular date in your Series?

You can simply send someone else in your place, or swap with another member who has subscribed to the other series. Our website will have a Members-Only section where you can post requests to swap. Or, you can attend the alternate date that month (for free), space permitting. As with general admission, you just wouldn't have a reserved seat, nor is one guaranteed.

- As before, only members will also be able to reserve a limited number of spaces for their guests to join them. The \$12 suggested donation for each guest remains the same as 2014.
- In addition to 12 great monthly shows (Calendar below), an added benefit for members-only will be our **1st Annual Oscar Party, Sunday, Feb 22nd, 5 -8 PM**. This FREE event, held in the library's Oak View Room and upstairs lobby, will include a live telecast of the major awards on our big screen, beverages, heavy hors d'oeuvres and sweets, and prizes for the winners of our own Oscar balloting! A RSVP will be required, but again, it's free!
- In addition, the popular "Encore Evenings" program will be offered three times throughout the year.
- The Lending Library available to members only will continue to grow, allowing members to borrow many of the films we screen; in case you miss one, or just want to view the film a second time.
- Additional opportunities to participate in discussion groups will be provided and/or expanded.
- We will continue to expand our member-discount program with local restaurants and other merchants.
